# ACS OUTCOME LETTER

**ILLUSTRATIVE EDUCATIONAL SAMPLE**

Modelled on the general information structure of an ICT skills assessment outcome.

Date: 18 September 2026

Illustrative reference: SAMPLE-ACS-261311

**SAMPLE APPLICANT**

Country: Poland

Dear Sample Applicant,

Thank you for your illustrative ICT skills assessment application. The information below is fictional and demonstrates only how outcome information may be organised.

**Your skills have been assessed in this educational example as suitable for migration under ANZSCO Code 261311 (Analyst Programmer).**

### Sample qualification assessment

The Bachelor of Software Development awarded by Fictional European University, Poland, in November 2018 has been described for illustration as comparable to an AQF qualification with a major in programming and systems analysis.

### Sample skilled employment assessment

The fictional employment below is presented as work at an appropriately skilled level and relevant to ANZSCO Code 261311 (Analyst Programmer).

| | |
|---|---|
| **Dates:** | January 2020 to August 2026 |
| **Position:** | Analyst Programmer |
| **Employer:** | Example Systems Services Sp. z o.o. |
| **Country:** | Poland |

The relevant Australian government department makes the final decision about migration points and visa eligibility. This mock letter does not provide migration advice or guarantee any assessment result.

**This document contains no genuine applicant identity, reference number, qualification, employer, assessment result or authorised signature.**
