ACS OUTCOME LETTER

ILLUSTRATIVE EDUCATIONAL SAMPLE

Modelled on the general information structure of an ICT skills assessment outcome.

Date: 18 September 2026

Illustrative reference: SAMPLE-ACS-261314

SAMPLE APPLICANT

Country: Portugal

Dear Sample Applicant,

Thank you for your illustrative ICT skills assessment application. The information below is fictional and demonstrates only how outcome information may be organised.

Your skills have been assessed in this educational example as suitable for illustration under ANZSCO Code 261314 (Software Tester).

Sample qualification assessment

The Bachelor of Information Technology awarded by Illustrative Atlantic University, Portugal, in November 2018 has been described for illustration as comparable to an AQF qualification with a major in software quality and testing.

Sample skilled employment assessment

The fictional employment below is presented as work at an appropriately skilled level and relevant to ANZSCO Code 261314 (Software Tester).

Dates:	January 2020 to August 2026
Position:	Software Test Analyst
Employer:	Example Consulting Europe Lda
Country:	Portugal

The relevant Australian government department makes the final decision about migration points and visa eligibility. This mock letter does not provide migration advice or guarantee any assessment result.

This document contains no genuine applicant identity, reference number, qualification, employer, assessment result or authorised signature.
