Dear Sample Applicant,

Thank you for your illustrative ICT skills assessment application. The information below is fictional and demonstrates only how outcome information may be organised.

Your skills have been assessed in this educational example as suitable for migration under ANZSCO Code 262113 (Systems Administrator).

Sample qualification assessment

The Bachelor of Network Computing awarded by Fictional European University, Poland, in November 2018 has been described for illustration as comparable to an AQF qualification with a major in systems and network administration.

Sample skilled employment assessment

The fictional employment below is presented as work at an appropriately skilled level and relevant to ANZSCO Code 262113 (Systems Administrator).

Dates:	January 2020 to August 2026
Position:	Systems Administrator
Employer:	Example Systems Services Sp. z o.o.
Country:	Poland

The relevant Australian government department makes the final decision about migration points and visa eligibility. This mock letter does not provide migration advice or guarantee any assessment result.

This document contains no genuine applicant identity, reference number, qualification, employer, assessment result or authorised signature.
