Dear Sample Applicant,

Thank you for your illustrative ICT skills assessment application. The information below is fictional and demonstrates only how outcome information may be organised.

Your skills have been assessed in this educational example as suitable for migration under ANZSCO Code 261112 (Systems Analyst).

Sample qualification assessment

The Bachelor of Computer Science awarded by Sample Metropolitan University, Chile, in November 2018 has been described for illustration as comparable to an AQF qualification with a major in systems analysis and design.

Sample skilled employment assessment

The fictional employment below is presented as work at an appropriately skilled level and relevant to ANZSCO Code 261112 (Systems Analyst).

Dates:	January 2020 to August 2026
Position:	Systems Analyst
Employer:	Demonstration Advisory Group
Country:	Chile

The relevant Australian government department makes the final decision about migration points and visa eligibility. This mock letter does not provide migration advice or guarantee any assessment result.

This document contains no genuine applicant identity, reference number, qualification, employer, assessment result or authorised signature.
